SWIFT  MERCANTILE  MISTRESS

Our Dream Approaches

Photo by Capt. Brian Murphy

### Dear Friends,

For 40 years we have been fortunate to live in Camden, Maine caring for the “Original Windjammer Fleet.” With mixed emotions we have made the decision to formally put our historic National Landmark schooners up for sale.

In preparation for the next chapter in our lives, we have purchased a 56-foot hermaphrodite brig which is being repurposed as a luxury six passenger windjammer. She has been renamed Swift after Capt. Frank Swift, the founder of our company and the windjammer industry in general. All four of our vessels will be running this season and when the fleet is sold, we will continue to operate Swift in our semi-retirement. We feel strongly about maintaining our connection with traditional sailing and sharing it with others.

We are grateful for the opportunity we’ve had to sail these magnificent vessels, and for the support our passengers have given us. It has been a blessing to have met so many wonderful people while sharing our sailing adventures along the Maine coast. Hope to see as many of you as possible this summer.

*Capt. Ray & Ann Williamson*
